

Pastor David Drach-Meinel

TECH LAB, 6/17/2020

Online worship is here to stay as a valuable ministry for every size church. You can produce high quality audio/video with very little equipment costs. Going back to the pre-pandemic methods of church ministry is no longer an option. Use this time to equip your church for the future thrust upon us.

Programs and equipment

These are all the programs and equipment I use on a regular basis. Only a few are necessary for church video production.

- Adobe Premiere Pro: \$\$\$ or Premiere Elements \$ (Video Editing)
- Adobe Photoshop: \$\$\$ or Photoshop Elements \$ (Photo and Graphics)
- Apple iMovie: Free
- Digital Juice: \$\$ (Online subscription for animations, graphics and more – excellent!) www.digitaljuice.com
- Sonicfire Pro: \$ but necessary music disk add ons make it \$\$\$ (Royalty free music generating of any length)
- Cakewalk by Bandlab: FREE (Digital Audio Workstation DAW previously cost \$750. Best deal ever)
- Izotope Audio Plugins: \$ - \$\$\$ (for enhancing digital audio recordings)
- Izotope Spire App: Free (Multi-Track recording for iPhone)
- Finale: \$-\$\$\$ Music notation software for producing music sheets.
- Band-in-a-Box: \$-\$\$\$ Music generating with HQ audio loops
- Staffpad for Windows 10: \$ (Hand writing music notation instant recognition)
- PowerPoint: (You really should already know this!)
- Word: (You really should know this using proper formatting techniques)
- Adobe Acrobat Pro: \$\$ (Produce pdf and pdf collections/books)
- YouTube: of course
- FaceBook: of course

Home Equipment

- Microsoft Surface Pro Notebook i5: \$\$\$\$\$
- Very Old HP i7 Desktop with 2 7200 rpm hard drives
- Lots of Multi-Terabyte portable hard drives
- Focusrite Audio Interface: \$-\$\$\$
- Zoom L-12: \$\$ Digital Mixer/Audio Interface/Multitrack Recorder/Live Mixer
- Zoom H4n Pro: \$ Handheld Audio Interface/Multitrack Recorder
- Carvin Large Diaphragm Mic: \$-\$\$\$\$
- AKG C1000S Mic: \$\$
- AKG K371 Headphones: \$\$
- Izotope Spire remote group audio recording unit: \$\$ Digital recording in a distancing age
- GVM LED RGB Color Panel Lights: \$-\$\$\$
- Various Guitars, Bass, Mandolin, Ukulele, Amps, Effects
