# Enhance your Attendee Experience through Bravura CONNECT Mobile App

As a trusted provider of event technology for over 15 years, Bravura Technologies is partnering with the ELCA to enhance Mobile App opportunities for Synods. Enable and host your own event within the ELCA Event App available in the Apple iOS and Android/Google store for your Synod Assembly.

Give your attendees a modern, sleek, and user-friendly experience at their fingertips and provide easy access to your Synod Assembly Program Content.

App features:
- Program Content & Agenda
- Personal Agenda Builder
- Session descriptions, handouts
- Networking opportunities
- Attendee to Attendee Messaging
- Surveys, Activity Wall, and Message Board
- Gamification
- Push Notifications
- Sponsorship opportunities
- And more!

Ready to Enable YOUR Event App with Bravura? Let's Get Started.

Please contact your Account Executive, Karlie Arm (Karlie.arm@bravuratechnologies.com) for more information on this exclusive program and to receive your access link to a sample event app.

Pricing starts at $550 per app, with optional set up services available
