

LEARNING IN ACTION

Our programs are designed to help students discover and build their own sense of purpose, while building a support system of faculty, mentors and peers that lasts far beyond graduation. We offer hands-on, high impact learning experiences that include:

- Coursework focused on real-world scenarios
- Undergraduate research opportunities
- Study abroad and travel seminars
- Internships
- Creative projects, performances and exhibitions

With challenging academic programs, outstanding faculty, small classes, and an emphasis on hands-on learning, each program at Cal Lutheran positions our students to succeed.
