FALL APPEAL STEWARDSHIP HELP

Here is what congregation leaders have said in response to how BEGINNING A CULTURE OF GENEROSITY has helped them:

“The congregation has been turned in on itself in a time of anxiety. This program brought them into partnership with others and gave them the stability of a guide and coach...a first step towards growth. Thank you!”

“I expected that this program would help us put together a stewardship appeal but WOW! It has certainly exceeded my expectations in terms of the response we’ve been getting from folks in our community! Thank you for your work on the 3E Team and helping to make these resources available to congregations like ours! It has made a huge difference for us.”
